Step One: Downloading the SISRA Observe Reports

The SISRA Observe Reports can be downloaded from the iCommunity website:
<https://icomunity.isams.com/>

From the iCommunity website you will need to select: Documents & Reports > Reporting Services Reports > Official iSAMS Reports > SISRA Exports

Reports

There are two Reports available:

- **SISRA Observe - Staff** This Report will export any teacher assigned to a subject or form
- **SISRA Observe - Class** This Report will export any subject, class and the year group

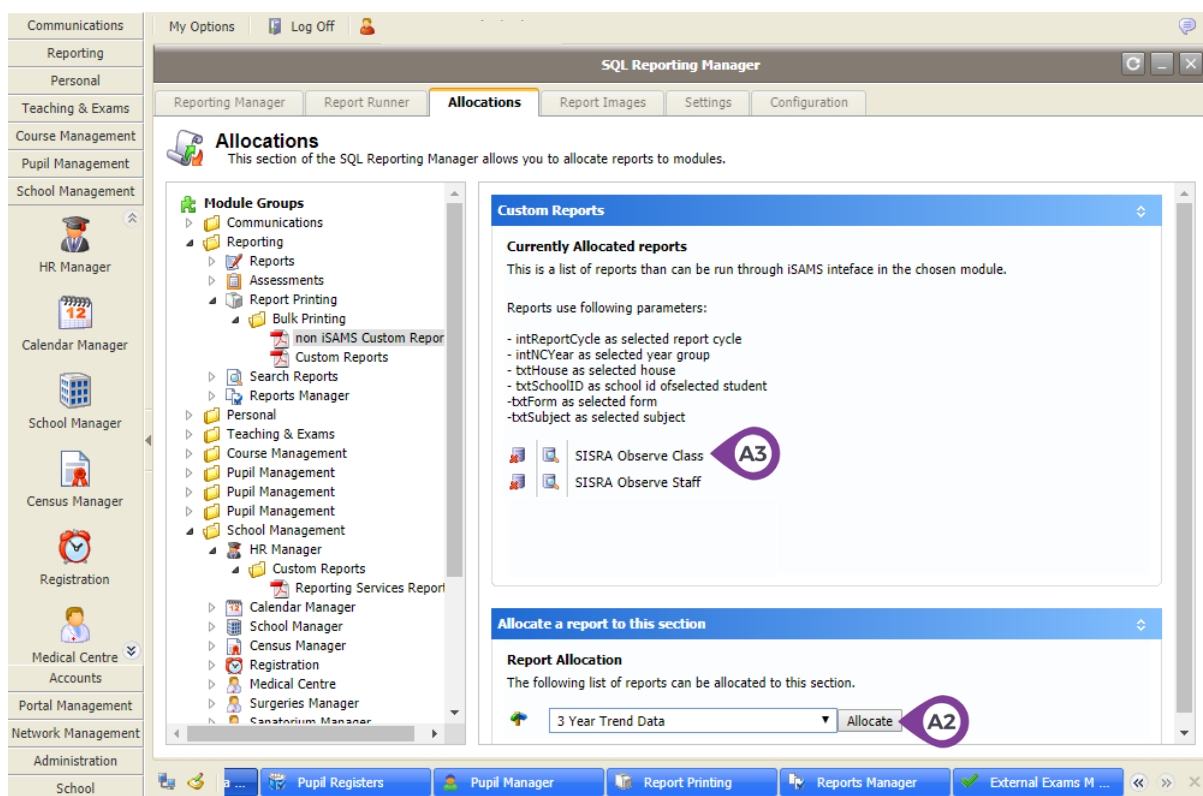

Step Two: Publishing the Observe Reports

The SISRA Reports will need to be published to the **SQL Reporting Manager Module**. You will need to log in to the Report Server and it is recommended that you create a SISRA Reports folder.

It is recommended that each of the Reports are allocated to the Bulk Printing area. To do this, within SQL Reporting Manager, you will need to go to Reporting > Report Printing > Bulk Printing > Non iSAMS Custom Reports (**A1**).

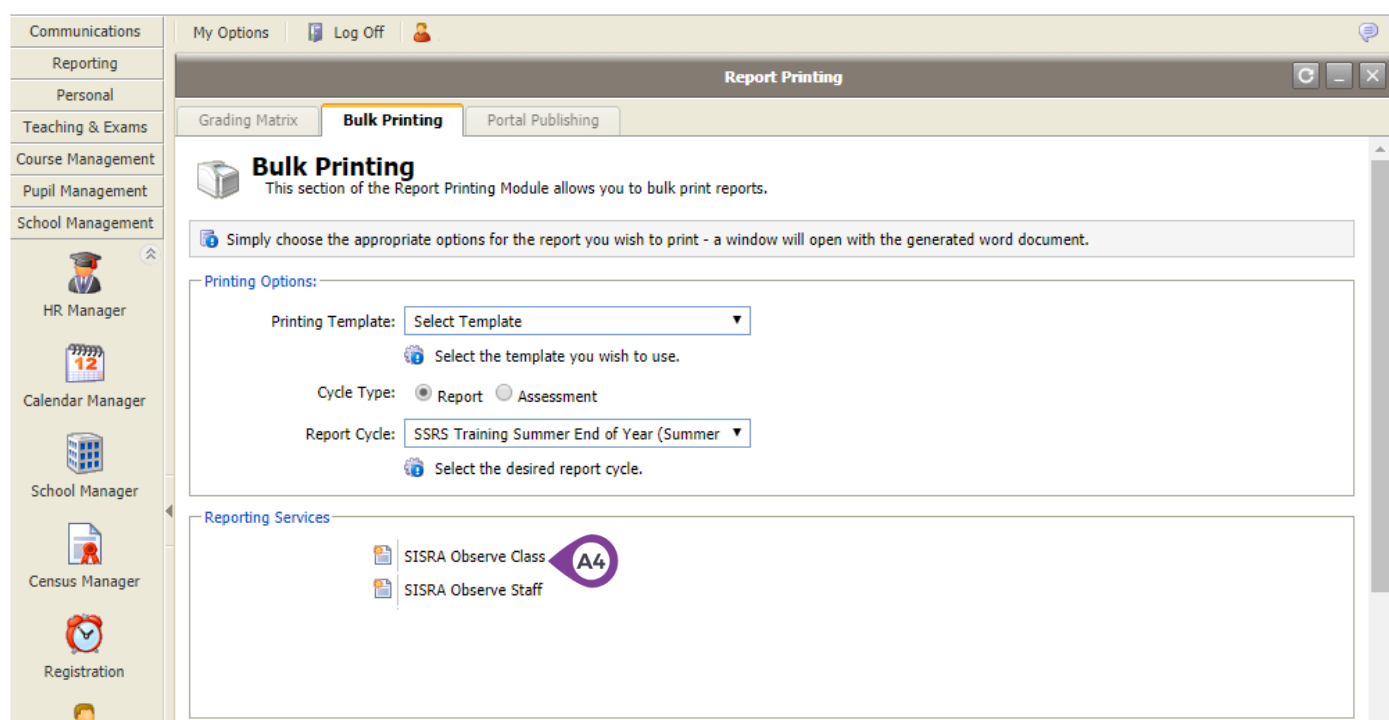

From the Report Allocation select each of the SISRA reports from the dropdown list and allocate them one at a time (A2).

The screen will show that the Reports have been allocated (A3).

Step Three: Running the SISRA Observe Reports

The Reports can now be accessed by going to Reporting > Report Printing > Bulk Printing > Reporting Services and selecting the appropriate Report (A4).
