

CPD Evaluation

A quick and simple template to provide some invaluable analysis when your staff have completed training.

Focus Area

CPD Details

Having this as a focus area means that you can identify the courses people have attended through the details reports.

Details

CPD Details

Give details of course: Title, date and place.

Comments:

Peter Hook Behaviour session. 10th December 2019. School.

0 2 0 Add +

The ability to add resources makes it so easy to store CPD certificates and scanned copies of notes made.

CPD Evaluation

Focus Areas

- 1) Did you learn or improve something?
- 2) Did you do something as a result?

1) Did you learn or Improve something? Outcome: Y

Give brief details, if not, why?

Yes

Comments:

Tips and tricks for helping students to settle and developing classroom routines

▾ 0 0 0

Add +

2) Did you do something as a result? Outcome: Y

How did you use the CPD experience? If you didn't, why not?

Yes

Comments:

implemented class room routines to help settle students immediately. This was achieved through having starters readily available for students when entering the room.

Outcome set
"Yes or No"

Yes
No

This template uses one of the preloaded outcome sets from your Observe account.

This form has the option for comments but you could always switch these off to provide simple yes/no data within reports.

3) Did it have an impact on pupils?

Outcome: Y

Give brief details, if not, why?

Yes

Comments:

Students seemed more engaged and were on task.

Add +

4) Did it have an impact on other staff or pupils?

Outcome: Y

Give brief details, if not, why?

Yes

Comments:

I also provided feedback to my department after completing the CPD and we have agreed to implement classroom routines across the entire faculty to enable consistency

Signature
H. Singh.

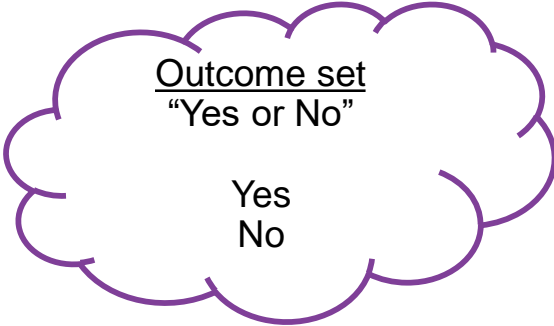

Field
Signature

A simple virtual signature from the staff member who attended the event.

A key focus area when analysing the effectiveness of courses for staff. This will allow senior leaders to easily identify which courses should not be booked again and which ones staff found most beneficial.

What will this
look like in
reports?

Yes or No ?

Numbering your focus areas keeps everything in the correct order in reports.

Focus Area Name	Y (%)	N (%)	Record Count
1) Did you learn or Improve something?	75.0	25.0	8
2) Did you do something as a result?	75.0	25.0	8
3) Did it have an impact on pupils?	62.5	37.5	8
4) Did it have an impact on other staff or pupils?	62.5	37.5	8
5) Did it impact on other schools?	62.5	37.5	8
Would you recommend this CPD Course?	75.0	25.0	8
Total	33	15	

Simple, at a glance analysis for busy senior leaders to easily identify effective CPD courses.
